

## Photo Hatchback Series

### Photo Hatchback BP 150 AW II and BP 250 AW II

Everyday adventure awaits with the next generation of the Photo Hatchback. This lightweight, flexible and sporty daypack strikes the perfect balance of carrying photo gear along with your other essentials.

- Secure, **body-side** access with removable camera compartment
- Protect your tablet with the **CradleFit™** pocket
- Deploy the patented, built-in **All Weather AW Cover™** for extra weather protection

Updated features include: a new back panel design, metal zippers, and a reflector loop for added visibility and utility.

## Photo Hatchback BP 150 AW II and BP 250 AW II

Flexibility is everything! Store, protect and organize photo/action video gear in the removable camera compartment. It includes an adjustable divider system and a storm flap close. Remove it and turn Photo Hatchback into a full daypack.

Keep your tablet right at hand in the dedicated CradleFit™ pocket. Thoughtful construction suspends and protects your go-to device from impact.

Comfortable, moisture-wicking padding at shoulders and lower back help make this an easy, day-long carry solution. Use adjustable sternum and waist straps to keep pack tight on body when on the move.

Protect all your gear with the patented, built-in All Weather AW Cover™. It safeguards pack and contents from rain, dust and sand. Tuck it away when not needed.
